To Our Valued Customers,

Due to the recent increase announcement for aluminum products and other materials associated with the manufacturing of aluminum products, Roofmart will be implementing a price increase of 9% on all Royal AlumiPro aluminum products, effective July 2nd, 2018.

As a gauge we calculate this increase will cost, on average, \$45.00 to \$65.00 for rainware and \$95.00 to \$135.00 for soffit and fascia per home. These amounts can change depending on the product installed and size of home.

We at Roofmart greatly appreciate your business, and look forward to servicing all your roofing and siding needs. Please call me directly with any of your concerns or questions regarding this increase.

Thank you for your continued support.
