IKO Royal Estate premium laminate shingles take hi-def to breathtaking heights of sophistication.

Designed as a step-up from IKO's architectural shingles, IKO Royal Estate offers a beautiful upscale look at an equally attractive price.

Inspired by nature, the shingles' random, smaller tabs create the appearance of genuine slate tiles. Deep contrasting shadow bands further accentuate the high-definition look.

Matching hip and ridge cap shingles are available to protect vulnerable roof areas and complete the stunning designer look.
