**Re: Freight Surcharge – April 2026**

Effective April 2026, Roofmart will be adjusting freight surcharges in response to current market conditions. Surcharges will vary by region to reflect local transportation costs and will be communicated directly by your local team.

The freight surcharge will continue to appear as a separate line item on your invoice and will apply to all deliveries. We will monitor transportation costs on an ongoing basis and make adjustments as needed.

If you have any questions, please don't hesitate to reach out to your Roofmart representative.

Thank you for your continued support.
